

REMARKS

The Examiner's Office Action of 1/12/2005 has been reviewed.

The allowable subject matter of claim 3 has been added to claim 2 to form an allowable independent claim in accordance with the Examiner's recommendation. Claim 3 is thereby canceled since its subject matter is now in Claim 2.

The addition of Claim 4 is to broaden the inventor's coverage. Claim 4 has the same subject matter as the amended Claim 3 except that the trademark Airprene has been removed and replaced with a descriptive definition as set forth in the Airprene trademark application.

In view of the foregoing, it is urged that all grounds of objection and rejection are overcome by the amendment herein. It is deemed that a Notice of Allowance is in order and such is respectfully requested.
